MONTHLY OPERATING REPORT NOTES FOR JUNE 2021

**INTRODUCTION:**

This monthly operating report ("MOR") is unaudited and does not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), and it is not intended to fully reconcile to the consolidated financial statements prepared by the Debtors. Information contained in this MOR has been derived from the Debtors' books and records, but does not reflect in all circumstances presentation for GAAP or SEC reporting purposes. Therefore, in order to comply with their obligations to provide MORs during these chapter 11 cases, the Debtors have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. Accordingly, this MOR is true and accurate to the best of the Debtors' knowledge, information, and belief, based on currently-available data. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than full calendar month-ending June 30, 2021, or for the full year, and may not necessarily reflect the Debtors' future consolidated results of operations and financial position.

**RESERVATION OF RIGHTS:**

This MOR is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Debtors' chapter 11 cases. The unaudited financial statements have been derived from the Debtors' books and records. The information presented herein has not been subject to all procedures that typically would be applied to financial information presented in accordance with GAAP. Upon the application of such procedures, the Debtors believe that the financial information could be subject to material change. The information furnished in this MOR includes normal recurring adjustments, but does not include all of the adjustments that typically would be made for interim financial statements presented in accordance with GAAP.

**GLOBAL NOTES:**

Given the complexity of the Debtors' business, inadvertent errors or omissions may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtors reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

**NOTES TO SUPPORTING DOCUMENTATION:**

Supporting documentation is presented on a consolidated basis for the Debtors.

**SUPPORTING DOCUMENTATION - BALANCE SHEET:**

Liabilities Subject to Compromise ("LSTC"): LSTC represent the Debtors' estimate of pre-petition claims to be resolved in connection with the chapter 11 cases. As a result of the chapter 11 filings, the payment of pre-petition liabilities are subject to compromise or other treatment under a plan of reorganization. The determination of how such liabilities will ultimately be settled or treated cannot be made until the Bankruptcy Court approves a chapter 11 plan of reorganization. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Prepetition liabilities that are subject to compromise under ASC 852 are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation or other events.

Values in the consolidated balance sheet represent rounded numbers. Accordingly, subtotals may not agree to the summation of the rounded numbers presented.

**SUPPORTING DOCUMENTATION - CONSOLIDATED INCOME STATEMENT:**

The income statement is presented on a consolidated basis for the Debtors. The information provided in the income statements reflect activity for the full calendar month-ending June 30, 2021.

Values in the consolidated income statement represent rounded numbers. Accordingly, subtotals may not agree to the summation of the rounded numbers presented.

**SUPPORTING DOCUMENTATION - PAYMENTS MADE ON PREPETITION DEBTS:**

Although payment of prepetition claims is generally not permitted, the Bankruptcy Court has authorized the Debtors to pay certain prepetition claims in designated categories. This relief generally was designed to preserve the value of the Debtors' business and assets. The Debtors have paid and continue to pay undisputed postpetition obligations in the ordinary course of business.

**SUPPORTING DOCUMENTATION - PAYMENTS TO INSIDERS:**

The list of insiders is consistent with public disclosures and other filings associated with the Debtors' chapter 11 cases. The listing of any party as an "insider" is neither intended to be nor should be construed as a legal characterization of such party as an "insider," as such term is defined in section 101(31) of the Bankruptcy Code, and it does not act as an admission or waiver of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved.

**Notes:**
